NOTICE OF ALLOWANCE

Allowable Subject Matter

1. Claims 1-15 are allowed.
2. The following is an examiner's statement of reasons for allowance: The present invention relates to a pawl assembly for a one-way ratchet wrench. It is the examiner's opinion that the art of record considered as a whole, alone or in combination, neither anticipates nor renders obvious the pawl member having an end provided with a locking portion extended outward and fixed on a side of the elastic member so that the pawl member and the elastic member are combined together, together in combination with the rest of the limitations in the independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David B. Thomas whose telephone number is (703) 308-4250. The examiner can normally be reached on 7-4 M-F.
